Notes:	
<ul style="list-style-type: none"> • Discussion regarding MBC pitstop: noted many riders stopping at the pitstop were famished on their way out, stopped to eat bananas and bars, etc., drank gatorade and asked for water using the paper cups, did not use their own bottles. Next year suggestions: more cups and a garbage container, tie downs, ropes or weights for windy conditions, & Tom Hothem had suggested cowbells at the pitstop. • Karen asked if MBC should consider making a small flyer or card of some kind with brief info on MBC to keep at this pitstop (not Kevin's Bikes stop, but the pitstop) because random community riders stopped and asked about the event and who was involved, etc. Would be beneficial for promoting MBC, not just this event, but MBC in general.
